NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Wednesday, May 7, 2025:

MINUTE entry before the Honorable Georgia N Alexakis: The Court has received no opposition to Plaintiff's renewed motion for entry of default judgment [109] from any of the Defendants listed in the accompanying order. Therefore, for the reasons set forth in that motion and the accompanying materials, plaintiff's motion is granted. Enter Default Judgment Order, as modified by the Court. Any motion by plaintiff for the award of attorneys' fees and costs must be separately filed, and the motion must identify with specificity what costs and "reasonable attorney's fees" plaintiff seeks to recover under 17 U.S.C. 505 or other applicable rule or statute. With entry of this order, the Court understands that this matter remains unresolved with one defendant (Defendant No. 126). The Court dismisses plaintiff's unopposed motion to sever Defendant No. 126 [116] as moot. Plaintiff is directed to file a motion for entry of default and default judgment as to Defendant No. 126 by 5/14/25, unless a notice or stipulation of dismissal is filed before that date. No appearance is required on 5/8/25. Mailed notice. (kp,)

ATTENTION: This notice is being sent pursuant to Rule 77(d) of the Federal Rules of Civil Procedure or Rule 49(c) of the Federal Rules of Criminal Procedure. It was generated by CM/ECF, the automated docketing system used to maintain the civil and criminal dockets of this District. If a minute order or other document is enclosed, please refer to it for additional information.
