NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Monday, May 20, 2024:

MINUTE entry before the Honorable Matthew F. Kennelly: At a telephonic hearing this morning, plaintiff's counsel authorized the Court to unseal the complaint and motion for preliminary injunction and agreed to file in the public record an amended or corrected version of the complaint and motion for preliminary injunction (naming the plaintiff in both). About 45 minutes ago, however, plaintiff filed an emergency motion to extend the TRO that appears to have been filed ex parte and under seal. This makes no sense given the other public filings. Plaintiff must file that motion in the public record and should do so immediately. The Court at its own instance extends the temporary restraining order entered on 5/6/2024 by two days, to 5/22/2024, but will not entertain extending it again unless plaintiff's motion for extension is filed in the public record. A further telephonic hearing on the anticipated publicly-filed motion to extend the TRO is set for 5/22/2024 at 8:50 AM, using call-in number 888-684-8852, access code 746-1053. (mk)

ATTENTION: This notice is being sent pursuant to Rule 77(d) of the Federal Rules of Civil Procedure or Rule 49(c) of the Federal Rules of Criminal Procedure. It was generated by CM/ECF, the automated docketing system used to maintain the civil and criminal dockets of this District. If a minute order or other document is enclosed, please refer to it for additional information.
