No. 25-cv-13652

Judge Andrea R. Wood

Magistrate Jeannice W. Appenteng

**\*SEALED\* TEMPORARY RESTRAINING ORDER**

Plaintiff Wumei Lin ("Plaintiff") filed an *ex parte* Motion for Entry of a Temporary Restraining Order and Other Relief (the "Motion") against The Individuals, Corporations, Limited Liability Companies, Partnerships and Unincorporated Associations Identified in Schedule A, ("Defendants"). These online Defendant e-commerce stores have been identified at least through its domain name and through the online marketplace account identified in Exhibit 2 to Plaintiff's Complaint [Dkt. 1-2]. After reviewing the Motion and the accompanying record, this Court GRANTS Plaintiff's Motion, and for its reasoning states as follows:

Plaintiff is the creator and copyright owner of the Copyright-Protected Photos at issue in this case ("Plaintiff's Copyright-Protected Photos"). Plaintiff's photographs are protected under the U.S. Copyright Registration Nos. VA0002441336, VA0002445597, VA0002441715, VA0002409498, VA0002412626, and VA0002426836 for a Group of Published Photographs, registration issued pursuant to 37 C.F.R. Section 202.4(i). ("Plaintiff's Copyright Registration")

attached to Plaintiff's Complaint as Exhibit 1. Accordingly, the Court finds that Plaintiff stands a likelihood of success on the merits of its copyright infringement claims for relief.

This Court finds, in the absence of adversarial presentation, it has personal jurisdiction over Defendants as Defendants directly target their business activities toward consumers in the United States, including Illinois. Specifically, Plaintiff has provided evidence to conclude that Defendants have targeted sales to Illinois residents by setting up and operating fully interactive online e-commerce stores that target United States consumers using one or more seller aliases, offer shipping to the United States, including Illinois, and have sold products through the use of unauthorized and unlicensed reproductions of Plaintiff's federally registered Copyright-Protected Photos to residents of Illinois (Dkt. Nos. 1-3 to the Complaint). In this case, Plaintiff has presented screenshot evidence that each online Defendant's e-commerce store is operating one or more fully interactive commercial internet stores, reaching out to do business with Illinois residents, publicly displaying unlicensed and unauthorized reproductions of Plaintiff's Copyright-Protected Photos, and selling products, which Illinois residents are able to purchase.

The Court additionally finds that issuance of the requested injunctive relief would be in the public interest by protecting consumers from the likelihood of confusion by Defendants' online e-commerce stores and their public display of the unlicensed and unauthorized reproductions of Plaintiff's Copyright-Protected Photos. The Court also finds that it need not balance the interests of Defendants in this case as the Plaintiff has presented credible evidence to conclude Defendants' online e-commerce store is engaging in, among other things, willful copyright infringement of the Plaintiff's Copyright-Protected Photos.

This Court also finds that issuing this Order without notice pursuant to Rule 65(b)(1) of the Federal Rules of Civil Procedure is appropriate as Plaintiff has alleged specific facts through

the Declarations of Joseph W. Droter and Wumei Lin in support of the Motion and supporting evidence which clearly show immediate and irreparable injury, loss, and damage will result to the Plaintiff before the adverse party can be heard in opposition. Specifically, in the absence of an *ex parte* Order, Defendants could and likely would move any assets from accounts in financial institutions under this Court's jurisdiction to unidentifiable offshore accounts. Accordingly, this Court orders that:

1. Defendants, their officers, agents, servants, employees, attorneys, and all persons acting for, with, by, through, under, or in active concert with them, be temporarily enjoined and restrained from: Using Plaintiff's Copyright-Protected Photos under the federal Copyright Registration Numbers; VA0002441336, VA0002445597, VA0002441715, VA0002409498, VA0002412626, and VA0002426836, including any reproductions, digital copies, print copies, photocopies, colorable imitations, replicas, simulations, mockups, in any format, either physical print or in digital formatting in connection or relation with the distribution, supply, sharing, reproduction, manufacturing, mass production, drop shipping, marketing, advertising, making, offering for sale, or sale of any products that is not a genuine product of Plaintiff's licensees or not authorized by Plaintiff to be sold in connection with the Plaintiff's Copyright-Protected Photos;

2. Defendants shall not transfer, move, relocate, change accounts, assign, remove, or dispose of any money in the account associated with the domain names identified in Schedule A (the "Defendants Domain Names") and through the online marketplace accounts, including but not limited to any other assets or resources in any of Defendants' financial accounts.

3. Upon Plaintiff's request, those with notice of this Order, including any online marketplace platforms such as Temu, eBay Inc., AliExpress, Amazon.com, Alibaba, Wish.com, TikTok Inc., SHEIN and Dhgate (collectively the "Third Party Providers"), shall

within seven (7) calendar days after receipt of such notice, disable and cease displaying any advertisements used by or associated with the unlicensed and unauthorized use of Plaintiff's Copyright-Protected Photos.

4. Any Third-Party Providers, including Temu, TikTok Shop, PayPal, Alipay, Alibaba, Ant Financial, Wish.com, and Amazon Pay, shall, within seven (7) calendar days of receipt of this Order:

- a. locate all accounts and funds connected to Defendants' seller aliases, including, but not limited to, any financial accounts connected to the information listed in Schedule A attached to Plaintiff's Complaint [Dkt. No. 1-2], including any e-mail addresses provided for Defendants by third parties; and
- b. restrain and enjoin any such accounts or funds from transferring, disposing, relocating, assigning, moving, or any other method of shifting any of the said money or any other asset or resource of each Defendant until further order by this Court, or until the expiration of this court Order, whichever occurs first.

5. The plaintiff may provide notice of the proceedings in this case to the Defendants, including notice of the preliminary injunction hearing and service of process pursuant to Fed. R. Civ. P. 4(f)(3), and any future motions, by electronically publishing a link to the Complaint, this Order, and other relevant documents on a website and by sending an e-mail with a link to said website to the e-mail addresses identified and provided for Defendants by third parties. In addition to sending the link to said website, Plaintiff will additionally attach copies of the Complaint, this Order, Summons, motions, and all other relevant documents in the e-mail sent to Defendants.

6. Plaintiff must provide notice to Defendants of any motion for preliminary injunction as required by Rule 65(a)(1).

7. Plaintiff shall deposit with the Court Fifty Thousand Dollars and Zero Cents [\$50,000.00] either cash or surety bond, as security, which amount has, in the absence of adversarial testing, been deemed adequate for the payment of such damages as any person may be entitled to recover as a result of a wrongful restraint hereunder within ten (10) business days of entry of this Order.

8. Any Defendant that is subject to this Order may appear and move to dissolve or modify the Order as permitted by and in compliance with the Federal Rules of Civil Procedure and the Northern District of Illinois Local Rules. Any third party impacted by this Order may move for appropriate relief.

9. This Temporary Restraining Order without notice is entered at 9:30 A.M. on this 22nd day of December 2025 and shall remain in effect for fourteen (14) calendar days.
