publishing a link to the Complaint, this Order, and other relevant documents on a website and by sending an e-mail with all the relevant documents attached to any e-mail addresses provided for Defendant by third parties. The combination of providing notice via electronic publication and e-mail, along with any notice that Defendant receives from payment processors, shall constitute notice reasonably calculated under all circumstances to apprise Defendant of the pendency of the action and afford them the opportunity to present their objections. The Clerk of the Court is directed to issue a single original summons in the name of “Disimmde.” The combination of providing notice via electronic publication and e-mail, along with any notice that Defendant receives from payment processors, shall constitute notice reasonably calculated under all circumstances to apprise Defendant of the pendency of the action and afford them the opportunity to present their objections.
