**Case No. 1:26-cv-00340-SLE-JWA**

**Honorable Sara L. Ellis**

**Magistrate Jeannice W. Appenteng**

**SEALED TEMPORARY RESTRAINING ORDER**

Plaintiff Shenzhen Peishi Advertising Media Co., Ltd. (“Plaintiff”) filed an *Ex Parte* Motion for Temporary Restraining Order, Including an Asset Restraint (the “Motion”) against the Individuals, Corporations, Limited Liability Companies, Partnerships and Unincorporated Associations identified on Schedule “A” to the Complaint (collectively, the “Defendants”), who operate their e-commerce stores (the “Online Stores”) maintained on the Amazon marketplace platform (the “Platform”). After reviewing the Motion and the accompanying record, this Court GRANTS Plaintiff’s Motion in part as follows.

This Court finds, in the absence of adversarial presentation, that it has personal jurisdiction over Defendants because Defendants directly target their business activities toward consumers in the United States, including Illinois. Specifically, Plaintiff has provided a basis to conclude that Defendants have targeted sales to Illinois residents by setting up and operating e-commerce stores that target United States consumers using one or more seller aliases, offer shipping to the United

States, including Illinois, and have sold products using infringing versions of Plaintiff's federally registered U.S. Patent No. 12,324,440 (the "'440 Patent") to residents of Illinois. In this case, Plaintiff has presented screenshot evidence that the Defendants' e-commerce stores are reaching out to do business with Illinois residents by operating one or more commercial, interactive internet stores through which Illinois residents can and do purchase products using counterfeit versions of the '440 Patent. See Docket Nos. 1-3 and 2-3, which include screenshot evidence confirming that the Defendants' internet stores do stand ready, willing, and able to ship their counterfeit goods to customers in Illinois bearing infringing and/or counterfeit versions of the versions of the automatic smoker claimed in the '440 Patent.

This Court also finds that issuing this Order without notice pursuant to Rule 65(b)(1) of the Federal Rules of Civil Procedure is appropriate because Plaintiff has presented specific facts in the Declarations of Jennifer Pantuso and the Declaration of Xiaoling Chen in support of the Motion and accompanying evidence clearly showing that immediate and irreparable injury, loss, or damage will result to the movant before the adverse party can be heard in opposition. Specifically, in the absence of an *ex parte* Order, Defendants could and likely would move any assets from accounts in financial institutions under this Court's jurisdiction to offshore accounts. Accordingly, this Court orders that:

1. The Defendants, their officers, agents, servants, employees, attorneys, and all persons acting in active concert with them be temporarily enjoined and restrained from:
  - a. manufacturing, importing, offering to sell, or selling any product that infringes the '440 Patent;
  - b. aiding, abetting, contributing to, or otherwise assisting anyone in infringing upon the '440 Patent; and

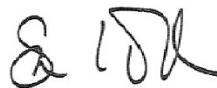

- c. Effecting assignments or transfers, forming new entities or associations, or utilizing any other device for the purpose of circumventing or otherwise avoiding the prohibitions set forth in Subparagraphs (a) and (b)
2. Defendants shall not transfer or dispose of any money or other of the Defendants' assets in any of Defendants' financial accounts.
3. Plaintiff is authorized to issue expedited written discovery to Defendants, pursuant to Federal Rules of Civil Procedure 33, 34, and 36, related to:
  - a. the identities and locations of Defendants, their officers, agents, servants, employees, attorneys, and any persons acting in active concert or participation with them, including all known contact information and all associated e-mail addresses;
  - b. the nature of Defendants' operations and all associated sales, methods of payment for services, and financial information, including, without limitation, identifying information associated with the Online Marketplaces and Defendants' financial accounts, including Defendants' sales and listing history related to their respective Online Marketplaces; and
  - c. any financial accounts owned or controlled by Defendants, including their officers, agents, servants, employees, attorneys, and any persons acting in active concert or participation with them, including such accounts residing with or under the control of any banks, savings and loan associations, payment processors, or other financial institutions, including, without limitation, PayPal, Inc. ("PayPal"), Alipay, ContextLogic Inc. d/b/a Wish.com ("Wish.com"), Alibaba Group Holding Ltd. ("Alibaba"), Ant Financial Services Group ("Ant Financial"), Amazon Pay, or other

merchant account providers, payment providers, third party processors, and credit card associations (e.g., MasterCard and VISA).

4. Upon Plaintiff's request, those with notice of this Order, including Third Party Providers, shall within seven (7) calendar days after receipt of such notice, disable and cease displaying any advertisements used by or associated with Defendants in connection with the sale of goods that infringe the '440 Patent.
5. Any Third Party Providers, including PayPal, Alipay, Alibaba, Ant Financial, Wish.com, and Amazon Pay, shall, within seven (7) calendar days of receipt of this Order:
  - a. locate all accounts and funds connected to Defendants' seller aliases, including, but not limited to, any financial accounts connected to the information and any e-mail addresses provided for Defendants by third parties; and
  - b. restrain and enjoin any such accounts or funds from transferring or disposing of any money or other of Defendants' assets until further ordered by this Court.
6. Plaintiff may provide notice of the proceedings in this case to Defendants, including notice of the preliminary injunction hearing, service of process pursuant to Fed. R. Civ. P. 4(f)(3), and any future motions, by electronically publishing a link to the Complaint, this Order, and other relevant documents on a website, and by sending an e-mail with a link to said website to the e-mail addresses provided by Defendants on the Defendants' online stores or websites and any e-mail addresses provided for Defendants by third parties. The Clerk of the Court is directed to issue an original summons in the name of "The Individuals, Corporations, Limited Liability Companies, Partnerships And Unincorporated Associations Identified In Schedule "A" Hereto," which shall apply to all Defendants. The combination of providing notice via electronic publication and e-mail, along with any

notice that Defendants receive from payment processors, shall constitute notice reasonably calculated under all circumstances to apprise Defendants of the pendency of the action and afford them the opportunity to present their objections.

7. Plaintiff must provide notice to Defendants of any motion for preliminary injunction as required by Rule 65(a)(1).
8. Plaintiff's Exhibits to the Complaint [Docket Nos. 2-1, 2-2 and 2-3], the Declaration of Anisah Beaston [Docket No. 15], the Declaration of Xiaoling Chen [Docket No. 15-1], and this Order shall remain sealed until further ordered by this Court or until the Order expires, whichever occurs earlier.
9. Within seven (7) calendar days of entry of this Order, Plaintiff shall deposit with the Court Ten Thousand Dollars [\$10,000.00], either cash or surety bond, as security, which amount has, in the absence of adversarial testing, been deemed adequate for the payment of such damages as any person may be entitled to recover as a result of a wrongful restraint hereunder.
10. Any Defendants that are subject to this Order may appear and move to dissolve or modify the Order as permitted by and in compliance with the Federal Rules of Civil Procedure and the Northern District of Illinois Local Rules. Any third party impacted by this Order may move for appropriate relief.
11. This Temporary Restraining Order without notice is entered at 4:50 p.m. on this 12th day of February, 2026 and shall remain in effect for fourteen (14) calendar days.
